

Giana - Stuck Into This

tom:

Intro: **Abm** **E7M** **Abm**

[Primeira Parte]

Abm
I was just wondering, can we talk for a moment?

?Cause you know
E7M
I?ve been too afraid to ask

But tell me baby **Abm**

Is it really that hard to apologize
E7M
Or is it just the fear of our goodbyes?

And I pray
Abm
I pray for the day that we hear our names
E7M
And our hearts remain beating the same way

[Pré-Refrão]

Eb7
And they don?t complain about the pain that they are feeling
Dbm7
In this infinite game

[Refrão]

Abm
And I?ve been trying to forget how your love made me feel
E
But I know it was real and when you looked at me the world stopped

Dbm
Now I wish we could review how we both can heal
Eb
But you know what? You know what?
Abm
I am tired of being treated like this

I miss you and even your sis?
E
But when will I ever learn that I?m more than what I miss

Dbm
But your kiss

Is something that I can?t dismiss
Eb
But I shall resist and baby I?m again stuck into this **Abm**

[Ponte]

Abm
Do you remember how we used to dance?
E7M
Or how long our kiss could last?
Dbm7
Do you remember? **Eb7**

Well, I remember it all
Abm **E7M**
Do you still think about the days or listen to our tune?
Dbm7 **Eb7**
Is it another common song and just an 8 of June?
Abm **E7M** **Dbm7** **Eb7**
And I think our time is flying by

[Refrão Final]

Abm
And I?ve been trying to forget how your love made me feel
E
But I know it was real and when you looked at me the world stopped

Dbm
Now I wish we could review how we both can heal
Eb
But you know what? You know what?
Abm
I am tired of being treated like this

I miss you and even your sis?
E
But when will I ever learn that I?m more than what I miss
