

Giana - Stuck Into This

tom:

Intro: **Abm** **E** **Abm**

[Primeira Parte]

Abm
I was just wondering, can we talk for a moment?

?Cause you know
E
I've been too afraid to ask
Abm
But tell me baby

Is it really that hard to apologize
E
Or is it just the fear of our goodbyes?

And I pray
Abm
I pray for the day that we hear our names
E
And our hearts remain beating the same way

[Pré-Refrão]

Eb7
And they don't complain about the pain that they are feeling
Dbm
In this infinite game

[Refrão]

Abm
And I've been trying to forget how your love made me feel
E
But I know it was real and when you looked at me the world stopped
Dbm
Now I wish we could review how we both can heal
Eb
But you know what? You know what?
Abm
I am tired of being treated like this
E
I miss you and even your sis?
E
But when will I ever learn that I'm more than what I miss

Dbm
But your kiss

Is something that I can't dismiss
Eb
But I shall resist and baby I'm again stuck into this

[Ponte]

Abm
Do you remember how we used to dance?
E
Or how long our kiss could last?
Dbm
Do you remember?
Eb7
Well, I remember it all
Abm
Do you still think about the days or listen to our tune?
Dbm **Eb7**
Is it another common song and just an 8 of June?
Abm **E** **Dbm** **Eb7**
And I think our time is flying by

[Refrão Final]

Abm
And I've been trying to forget how your love made me feel
E
But I know it was real and when you looked at me the world stopped
Dbm
Now I wish we could review how we both can heal
Eb
But you know what? You know what?
Abm
I am tired of being treated like this
E
I miss you and even your sis?
E
But when will I ever learn that I'm more than what I miss
