

Giant Rooks - For You

tom:
 I'll follow you down the road
 Up the hill into the dark
 Past the strawberry fields
 To the cemetery gates
 We'll make it count together
 One day, lie down forever
 When the sun sets, I'll be waitin'
 At the shore for you
 We are like wanderin' stars
 (Wanderin' stars)
 Nothing can tear us apart (Tear
 Us apart)
 We'll make it count together
 One day, lie down forever
 When the sun sets, I'll be waitin'
 At the shore for you
 Ah-ah, ah (Yeah-yeah), for you
 Ah-ah, ah (Yeah)

Acordes

(C Em F)
 ... (Oh-oh-oh)
 ... (Oh-oh-oh)
 I'll follow you down the road
 Up the hill into the dark
 Past the strawberry fields
 To the cemetery gates
 We'll make it count together
 One day, lie down forever
 When the sun sets, I'll be waitin'
 At the shore
 For you
 Ah-ah, ah (Yeah-yeah), for you
 Ah-ah, ah (Yeah)
 If the sky is ablaze, Gods pray for
 Rain
 But I'm gonna hold up a sign with your
 Name
 When the sun sets, I'll be waitin'
 At the shore (For you)
