

Gibran Alcocer - Idea 22 (Any Nami Remix)

tom: Cm Ab Cm

Greed and sorrow
Go to the abyss of time

Fm Cm Bb Ab
Seas are on fire, and the Moon's falling down
So I'm playing my lyre in the last rays of Sun

Ab Fm
Be mine

Cm Bb Ab
When the world ends and skies tumble down
Why is the water
So soothing to drown?
Hug me tight
You're lighter than feather
This second of life
Feels like forever

Ab
When
Truth sounds like lie
When you and I
Are buried in the ruins earth

Ab
I'll be by your side for what it's worth
If we face the gates of hell
Mmh
