

Gigi Perez - At The Beach, In Every Life

tom:
 Db (forma dos acordes no tom de C)
 Capotraste na 1ª casa
 Intro: F G Am C

F
 Saw it by the water
 G
 Doing all the things for the better
 Am
 Then I watched you send it back into the ring
 C
 And I heard about the twister
 F
 That lives inside your heart
 Am
 If you speak, then I would move
 C
 Then I would run right where you are
 F
 Then I ripped on through your blouse
 G
 As it ripped right through my house
 Am
 I never knew, I never knew you had such a filthy mouth
 C
 But you love me like my mother
 F
 And you kiss me like your wife
 Am
 And I swear to you, I'll give you more than I have tonight
 C
 'Cause the wolves are at my neck
 G
 I can't talk about that yet
 Am
 They've got shit inside those hearts
 C
 One day, they'll have to repent
 F
 On judgement day
 G
 They'll be glued right to the bed
 Am
 And you'll look and tell me
 C
 Baby, you remember what I said?

F G
 I know who you are
 Am C
 You'll be fine
 F G

I know who you are
 Am C
 'Cause you're mine
 F
 There I saw you standing
 G
 Must've been a holy light
 Am
 'Cause I can't see and I can't feel
 C
 But the color in your eyes
 F
 Is saying if my dreams come up empty
 G
 And I wash up on the shore
 Am
 You would find me at the beach
 C
 In every life, through every door
 F
 With a Boombox at your father's
 G
 Walking with you at the morgue
 Am
 You don't have to search when I know
 C
 Everything you're looking for
 F
 Oh, and we could talk about it
 G
 Or just stare at the wall
 Am
 But I think that you know better than
 G
 What they think they call

F
 A luminary, no one
 G
 Is all they'll ever be
 Am
 And how could you be no one
 C
 When you're everything to me? F G
 You're everything to me Am C
 You're everything to me F G
 You're everything to me Am C
 You're everything to me Am C

[Final] F G Am C
