tom:
Eb (forma dos acordes no tom de D)
Capostrate na 1ª casa

You are my ^Dflaw
You are my thorn
^AYou are everything I've never needed and more
^DAnd don't be too flattered
These songs are for you
^A'Cause all I ever seemed to do
Was drive myself up the walls
^AI'd pace around until you'd call
^DYou're poison to the touch of my tongue
^AAnd I don't know why
^DBut I should face the truth
You found someone like you
^ASomeone that'll get high the way I refuse to
And maybe that's the ^Dflaw
We had all along
^ATryna make it stick when I am water
^DAnd you are glue
And in all that ^AI do
You're dripping onto me ^D
You don't know how to let me be ^A
And when you finally do ^D

Acordes

I'll hate you for that too ^A
'Cause I am water and you're ^Dglue

I don't know what ^Aelse to do
I wanna tell you ^Deverything
How I can't fucking ^Asleep
How I cringe when I see ^Dgreen
How it hurts without ^ACelene

'Cause you are my ^Dglue
And in all that ^AI do
You're dripping onto me ^D
You're dripping onto me ^A
(^A)

^DNo more green, no more Celene
^ANo more green, no more Celene
^DIt can't be, it can't be
^ANo more, no more

'Cause you are my ^Dglue
And in all that ^AI do
You're dripping onto me ^D
You're dripping onto me ^A
You're dripping onto me ^D
You're dripping onto me ^A
