That stretched so far out, we could see

G C

The sky was blue, our favorite tree

(I want it bad, I want it back)

G Em

And we laid under, you made tea

(I want it bad, I want it back)

G C

Sugar water, you served me

G Em

I want it back, I want it back

G C

I want it back, I want it back

G Em

I want it back, I want it back

G C

I want it back, I want it back

C G Em

The rupture of our innocence

G C

If you are guilty, I am in

G Em

I measure out our ignorance

G C

When we were foul, our mouths got rinsed

G Em

The treasure of our innocence

G C

We stared into the SuperBIT

G Em

We sat and watched it there all night

G C

We laughed so hard until we cried

G Em

Now, I can see your silhouette

G C

Casting over my twin bed

G Em

Repeat every word you said

G C

Like fire, I'll make sure they all spread

C G Em

The rapture of our innocence

G C

If we are guilty, slap our wrists

G Em

The pleasure of our ignorance

G C

When were foul, our mouths got rinsed

G Em G

Yes, they did

Hmm
