

Gigi Perez - Sugar Water

tom:

B (forma dos acordes no tom de G)

Capostrate na 4ª casa

I was born in Hackensack
 The dragon of the zodiac
 My bunny froze out there to death
 He was my very best friend

Oh-oh-woah
 I circle in, it's all pitch black
 The first time a boy called me fat
 On the field, I threw the ball
 And laughed like it didn't hurt at all
 And Florida is filled with bags
 I lived through the Simoniacs
 It's hard to ever feel intact
 It's hard to never want it back

(Instrumental)

You were born in Queens too soon (ooh-ooh)
 Miracles usually come in two
 What about when there is three? (Ooh)
 Bella said: Leave room for me
 (Leave room for me if you will)

Wow-ah
 The texture of our Barbie's hair
 The trampolines, we flew mid-air
 And father scared me with a mask
 I laid with you in the biggest grass

That stretched so far out, we could see
 The sky was blue, our favorite tree
 (I want it bad, I want it back)
 And we laid under, you made tea
 (I want it bad, I want it back)
 Sugar water, you served me
 I want it back, I want it back
 I want it back, I want it back
 I want it back, I want it back
 I want it back, I want it back
 The rupture of our innocence
 If you are guilty, I am in
 I measure out our ignorance
 When we were foul, our mouths got rinsed
 The treasure of our innocence
 We stared into the SuperBIT
 We sat and watched it there all night
 We laughed so hard until we cried
 Now, I can see your silhouette
 Casting over my twin bed
 Repeat every word you said
 Like fire, I'll make sure they all spread
 The rapture of our innocence
 If we are guilty, slap our wrists
 The pleasure of our ignorance
 When were foul, our mouths got rinsed
 Yes, they did
 Hmm
