

Gilberto Gil - Minha Senhora

Intro: A G7 A G7
C7M/9 Bm7 E7

Minha senhora
Onde é que você mora
Em que parte desse mundo
Em que cidade escondida
Dizei-me que sem demora
Lá também quero morar
Onde fica essa mora
Em que reino, qual para da
Dizei-me por qual estrada
É que eu devo caminhar
Minha senhora

Tom:

Onde é que você mora
Venho da beira da praia
Tantas prendas que eu lhe trago
Pulseira, sandália e saia
Sem saber como entregar
Quero chegar sem demora
Nessa cidade encantada
Dizei-me logo senhora
Que essa chegada me agrada
Quero chegar sem demora
Nessa cidade encantada
Dizei-me logo senhora
Que essa chegada me agrada
