

Gipsy Kings - Viento Del Arena

Tom: **Bb**

(com acordes na forma de **F**)

Capostrate na 5ª casa

VIENTO DEL ARENA

Capo on 5th fret. (Lyrics are a guess.)

have not named them as such. Instead, I have referred to them as Riffs, each to be played when cued by the lyrics. Also, to save space the word Riff has been shortened to and R. Don't forget that the '/' symbol represents a beat. Below then are the 6 riffs the song uses.
