Intro: **A E A E**

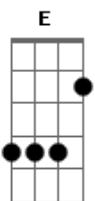

**A**  
I've been hiding for so long  
**E**  
These feelings, they're not gone  
**A E**  
Can I tell anyone?  
**A E**  
Afraid of what they'll say  
**A**  
So I push them away  
**E**  
I'm acting so strange  
  
**A**  
They're so pretty it hurts  
**E**  
I'm not talking about boys, I'm talking about girls  
**A**  
They're so pretty with their  
**E**  
Button-up shirts  
  
( **A E A E** )  
  
**A**  
I shouldn't be feeling this  
**E**  
But it's too hard to resist  
**A**  
Soft skin, and soft lips  
**A E**  
I should be into this guy  
**A**  
But it's just a waste of time  
**E**  
He's really not my type  
**B A**  
I know what I like  
**E**  
No, this is not a phase  
**A**  
Or a coming of age

**E**  
This will never change  
  
**A**  
They're so pretty it hurts  
**E**  
I'm not talking about boys, I'm talking about girls  
**A**  
They're so pretty with their  
**E**  
Button-up shirts  
  
**A**  
They're so pretty it hurts  
**E**  
I'm not talking about boys, I'm talking about girls  
**A**  
They're so pretty with their  
**E**  
button-up shirts  
  
**A**  
'Cause I don't know what to do  
**B**  
It's not like I get to choose  
**A B**  
Who I love  
**A E**  
Who I love, who I love, who I  
**A B**  
Love  
**A**  
They're so pretty it hurts  
**E**  
I'm not talking about boys, I'm talking about girls  
**A**  
They're so pretty with their  
**E**  
Button-up shirts  
  
**A**  
And they're so pretty it hurts  
**E**  
I'm not talking about boys, I'm talking about girls  
**A**  
They're so pretty, it hurts  
  
[Final] **E A**
