

Girl In Red - I Need To Be Alone

Tom: **Bb**

(forma dos acordes no tom de **G**)
Capostrate na 3ª casa

I'm wasting my life on pointless things
I sometimes think
When does life begin
I'm falling out of conversations
I can't pay attention, repeat the question
I need to be alone
Or I'm gonna lose my shit
Oh oh, oh oh
I need to be alone
Or I'm gonna lose my shit

Oh oh, oh oh
I'm waiting for something to change
'Cause everyday
Just feels the same
It's getting harder to exist
I don't want to
Feel like this
I need to be alone
Or I'm gonna lose my shit
Oh oh, oh oh
I need to be alone
Or I'm gonna lose my shit
Oh oh, oh oh
