Intro: **Bb** **F** **Bb** **F**

**Bb**  
I know I don't want to  
**Am**  
Be the one that you run to  
When you got nowhere else to go

When you need some love  
**Bb**  
I know I'm the last one

You try to call  
**Am**  
But I always give in  
**A** **Bb**  
To give you it all

I can't be your midnight love **Am** **F**  
**Bb** **Am**  
When your silver is my gold

In this light **Am** **C**

I swear I'm blind  
**Bb**

In this light **F** **F**  
I swear you're mine

**Bb**  
I hope that the right time  
**Bb**  
One day arrives  
**Am**  
So I'll be willing

To let this die **Bb**  
**Bb**  
Able to look you

Right in the eyes

And say I'm not  
**Am** **Bb**  
Your consolation prize
