Quando estou angustiado
Quando penso está tudo acabado
Ele vem me socorrer
Quando penso estou sozinho
Neste caminho com tantos espinhos
Ele vem me socorrer

Espírito Santo de Deus

Meu amigo e fiel consolador
Precioso És pra mim
Tua presença doce e calma
Que alegra minha alma
Me dá forças pra vencer
Tu és tudo que eu preciso
És o meu melhor amigo
Não quero te entristecer
Meu amigo e fiel consolador
Precioso És pra mim
