

Giulia Araujo - Cold September

Gm

tom:

(Solo no violão se repete a música inteira)

It's been long, long years
But I'll never forget the way you looked at me
The way you took me gently to the park by my hand, oh
Baby, you kissed me on a September 10th
Oh, oh, on a September 10th
Oh, oh, on a September 10th

First boyfriend, no experience
How could you understand only reading my eyes?
A little crazy that day, do you remember? Oh
Baby, our story began on a September 21st

Oh, oh, on a September 21st
Oh, oh, on a September 21st

Full day for both of us
We couldn't see each other but we were in love
We couldn't wait to be close again, together, oh
Baby, I just wanted to be with you that September 21st
Oh, oh, that September 21st
Oh, oh, that September 21st

Got that bus thinking of seeing you
'Till I found out you had somebody new
Tried so hard, but I knew after that day
I wouldn't have you anymore
Baby, you broke my heart on a September 21st
Oh, oh, on a September 21st
Oh, oh, on a September 21st
Oh, oh, on a September 21st
Oh, oh, on a September 21st
Now it's a cold September
