Abm
There's a place, there's a time
E
All the things seem to be right
B
Where everything seems to be ok, because you're there by my side
Abm
I still can see your face, I still can see your smile
E Gb
But where is this place now? (It is in the past now)
Abm E B
I remember cool moments, still feel the shape of your hands
Gb
And the way your lips always reached to my heart
Abm
Your words? Advised me
B
Your kiss? Hipnotized me
E Gb
And in your eyes I could see all the sincerity

B Gb
Baby, I'm sorry I was so young
Abm B
I let you go, but now I know
E Gb
The hole you left into my soul
Abm E
I look up at the stars and I don't understand
B Gb
God, how I could be so insane?
Abm B
What about what I did? What about what I've done?

E Gb
It doesn't matter now 'cause you're gone

Abm E B Gb
Love is hard you see, heaven knows I try
Abm B E Gb
If it's not meant to be, no reason to cry
Abm E B Gb
Love is hard you see, heaven knows I try
Abm B E Gb
If it's not meant to be, no reason to cry

Abm B E Gb
No reason to cry

Abm E B Gb
Yeah, I feel your steps going away from me now (no, no, no)
Abm B E Gb
And the game is hard and then makes it strike me (go, go, go)
Abm E B Gb
Make the best and take it slow make the best and take it slow
Abm B E Gb
Turn your mind into my flow, my flow, into my flow
Abm E B Gb
Yeah, I'm fine again, brain in a fine
Abm B E Gb
Pain for dime, no to suicide
Abm E B Gb
Will pass everything
Abm B E Gb
How was your day? I turn off the phone, ok?

Abm E B Gb
Love is hard you see, heaven knows I try
Abm B E Gb
If it's not meant to be, no reason to cry
Abm E B Gb
Love is hard you see, heaven knows I try
Abm B E Gb
If it's not meant to be, no reason to cry
