

# Giulia Be - Plan B

tom:

Am

I hate it when you lie Am

And you think I can't see F

The way you squint your eyes C

Pretend you're shy G

And look away from me

I hate it when the silence Am

Overcomes your smile F

It's like you were just here C

And then you disappear

For a while G

But most of all I hate Am

The way you make me feel F

Second-guessing, yeah, is any of it real? C G

Yeah, most of all I hate Am

I don't hate you at all F

It's not your fault I'm always there C

When you call G

Cause you make me crazy Am

Crazy F

Crazy F

For you C G

And it's so amazing Am

Amazing F

Amazing F

What you make me do C G

I'm overthinking everything Am F

And you don't give me any thought C G

You make me crazy Am

Trying to make you into something F C

That you're not G

That you're not

( Am F C )

I hate it that I keep Am

Making excuses for you F

Yeah, the fantasies make it so easy C

G

But they're not true

I just wish you'd tried Am

To choose me, love me F
