

Giulia Camargo - I'll See You Later

tom:

B

Intro: Dbm Gb B Abm

Oh I love the sun

When it comes to me

While I am laying down

Oh I know it's dumb

But I like the way you look at me

Just after we wake up

Bye I'm gonna walk

Cool I'll see you later

Meu amor

What is this I'm feeling?

I am happy but I'm sad

It is confusing

Does this mean that I'm growing old?

No one told me it was so hard

I'll do my best I promise that

I wish there was a book to learn to live my life

Quando você me deu a volta amor

Tirou as chaves do meu coração

Me deu a volta assim assado

Como não tem nada que dar

Quando você me deu a volta amor

Tirou os cravos do meu coração

E a verdade é que eu

Tenho um mundo lá fora

Voy a pasear

Te veo en un rato

Mi amor

What is this I'm feeling?

I am happy but I'm sad

It is confusing

Does this mean that I'm growing old?

No one told me it was so hard

I'll do my best I promise that

I wish there was a book to learn to live my life

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

I know nothing about you

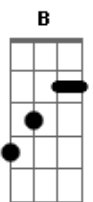

I know nothing about you

I know nothing about you

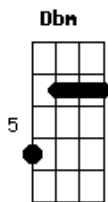

I know nothing about you

We can pretend it's true
