

Giveon - Remind Me

tom:

E A7

Ooh, ooh-oooh
Ooh, ooh, ooh-oooh

Ooh, ooh, ooh
Ooh

Say you love me
You got a way with words
Where the lies you tell mean something
Now I know

Familiar the way you running (familiar the way you running, babe)

'Cause I did the same thing once
And I'm seein' my reflection in your eyes

Is this karma calling?
Is this karma calling my phone?
Did the old me cause this? (Yeah)
Is this what you wanted?
Honestly, 'cause

You remind me of me
The way you lead me on
The way you don't care when you leave
You remind me of me
The way you get what you want
The way you don't care about me

You remind me a lot of myself
Back when I didn't care how she felt
So maybe I should run far, far from you
You say one thing but do something else

Because I want you, I'm holding my breath
I guess that's what I get for hurting

Is this karma calling?
Is this karma calling my phone?
Did the old me cause this? (Yeah)
Is this what you wanted?
Honestly, 'cause
You remind me of me
The way you lead me on
The way you don't care when you leave
You remind me of me (you remind me of me, yeah)
The way you get what you want
The way you don't care about me

Karma's got a piece of me
Start to think I deserve you
All the ways I did her
It's coming back to me, I guess
I didn't mean it
Left her heart in pieces
Now I see it from the other side
And you remind me of the time I didn't care

You remind me of me (you remind me of me, yeah)
The way you lead me on
The way you don't care when you leave (leave)
You remind me of me (oh, ooh-woah, oh)
The way you get what you want
The way you don't care about me

Ooh-oooh-oooh-oooh

Acordes
