Giveon - Stuck On You

```
                              tom:
                    C
              Dm      C
Ooh, ooh, ooh
   Em         G
Ooh, ooh, ooh

[Primeira Parte]

             Dm
Up in your room once again, tempted
                        C
Bad for me, it's the truth

But I can't miss this
                       Em
Don't tell my friends

That I'm here to visit
                      G
Don't tell my friends

That I'm here (Mm-mm-mm, yeah)

[Refrão]

  Dm
Waiting for you, even how you treat me
  Dm
You're my baby even when you leave me
  C
Maybe I'm the one to blame
   C
Maybe I'm the cause of the pain
    Em
Waiting for you, even how you treat me
    Em
You're my baby even when you leave me
    G
Maybe I'm the problem

And the one that's causing all of this

[Refrão]

              Dm
I can't say "I love you" no more (More)
                  C
'Cause my friends gon' judge me for sure
                   Em
It took some time but I realized
                       G
You do me wrong, but it feels right
             Dm
I can't say "I love you" no more (More)
                  C
'Cause my friends gon' judge me for sure
                   Em
It took some time but I realized
                       G
You do me wrong, but it feels right
   C
Feels like I'm stuck on you
   Dm
(More)
    C
(Sure)
   Em
(More)
```

```
   G
(Sure)

[Segunda Parte]

                Dm
Trust me I do understand, this is
                   C
Bad for me, I'm a fool
But I can't end it
                         Em
Far from love, but I'm stuck
  G
Staying while you kiss me

Saying that you miss me

Hate it when you tempt me

[Pré-Refrão]

Dm
Waiting for you, even how you treat me
     Dm
You're my baby even when you leave me
          C
Maybe I'm the one to blame
       C
Maybe I'm the cause of the pain
         Em
Waiting for you, even how you treat me
       Em
You're my baby even when you leave me
  G
Maybe I'm the problem

And the one that's causing all of this

[Refrão]

                   Dm
I can't say "I love you" no more (No more, more)
                       C
'Cause my friends gon' judge me for sure (Sure)
                     Em
It took some time but I realized
                     G
You do me wrong, but it feels right (Oh-oh)
                   Dm
I can't say "I love you" no more (More)
                   C
'Cause my friends gon' judge me for sure (I can't)
                     Em
It took some time but I realized (Oh)
                     G
You do me wrong, but it feels right

[Final]

                   Dm
I can't say "I love you" no more
                  C
'Cause my friends gon' judge me for sure
                     Em
It took some time but I realized
                       G
You do me wrong, but it feels right
   G
Feels like I'm stuck on you
