 I bust the windows out your car **Gm**
 After I saw you looking right at her **Cm**
 I didn't wanna but I took my turn **Eb**
 I'm glad I did it cuz you had to learn **D7**

Gm
 I must admit it helped a little bit
Cm
 To think of how you feel when you saw it
Eb
 I didn't know that I had that much strength
D7
 But I'm glad you see what happens when
Gm
 You see you cant just play with peoples feelings
Cm
 Tell them you love them and don't mean it
Eb
 you'll probably say that it was juvenile
D7
 But I think that I deserve to smile

(**Gm D7**)

(mesmos acordes até o fim da música)

I bust the windows out ya car
 You know I did it cuz I left my mark
 with my initials with a crowbar
 And then I drove up into the door

I bust the windows out ya car
 you should feel lucky that was all I did
 After 5 whole years of this bullshit

Gave you all of me and you played with it

I must admit it helped a little bit
 To think of how you feel when you saw it
 I didn't think that I had that much strength
 But I'm glad too see what happens when

You see you cant just play with peoples feelings
 Tell them you love them and don't mean it
 You probably say that it was juvenile
 But I think that I deserve to smile

Bustin out yo car
 But it don't come back to my broken heart
 You could never feel I how I felt that day
 Until it happens baby you don't know pain

Ooh Yeah I did it (yeah I did it)
 You should know it (you should kno it)
 I ain't sorry (I ain't sorry)
 You deserved it (you deserved it)
 After what you did to me (after what you did)
 You deserve it (you deserve it)
 I ain't sorry no no (I ain't sorry)

You caused me pain
 Bustin out yo car(?)
 But it don't come back to my broken heart
 You could neva feel I how I felt that day
 Until it happens baby you don't know pain
 Ooh Yeah I did it (yeah I did it)
 You should know it (you should kno it)
 I ain't sorry (I ain't sorry)
 You deserved it (you deserved it)
 After what you did to me (after what you did)
 You deserve it (you deserve it)
 I ain't sorry no no (I ain't sorry)

Even though what you did to me was much worse
 I had to do something to make you hurt
 Oh but why am I still crying?
 Why am I the one who's still crying?
 Oh oh you really hurt me baby
 You really you really hurt me baby
 Hey hey hey hey hey
 Now watch me Yule
 Now watch me Yule
 Oooh I bust the windows out your car.
