

Glee - Can't Fight This Feeling

Tom: A

(intro) A E D E

I can't fight this feeling any longer
 And yet I'm still afraid to let it flow
 What started out as friendship has grown stronger
 I only wish I had the strength to let it show
 And even as I wonder, I'm keeping you in sight
 You're a candle in the window on a cold dark win.....ter's night
 And I'm getting closer than I ever thought I might
 And I can't fight this feeling anymore
 I've forgotten what I've started fighting for
 It's time to bring this ship into the shore
 And throw away the oars, baby I can't fight this feeling anymore
 My life has been such a ruin since I saw you

I've been running round in circles in my mind
 When it all is at ease then I'm following you girl
 Cause you take me to the places that alone I never find
 And even as I wonder, I'm keeping you in sight
 You're a candle in the window on a cold dark win.....ter's night
 And I'm getting closer than I ever thought I might
 And I can't fight this feeling anymore
 I've forgotten what I've started fighting for
 It's time to bring this ship into the shore
 And throw away the oars forever
 And I can't fight this feeling anymore
 I've forgotten what I've started fighting for
 And if I have to crawl upon the floor
 Come crushing through you door
 Baby I can't fight this feeling anymore (solo intro)
