

Glee - Get It Right

Tom: **D**

Intro: **Bm A G**

Bm **G**
What have I done?

D
I wish I could run,

A
Away from this ship going under,

Bm **G**
Just trying to help

D
Hurt everyone else

A
Now I feel the weight of the world is

Bm A G A
On my shoulders

D **A**
What can you do when your good isn't good enough

Bm **A** **G**
And all that you touch tumbles down?

D **A**
Cause my best intentions keep making a mess of things,

Bm **A** **G**
I just wanna fix it somehow

Bm **A** **G**
But how many times will it take?

Bm **A** **G**
Oh, how many times will it take for me

D **A**
To get it right?

Bm A G
To get it ri-ii-ight?

Bm **G**
Can I start again,

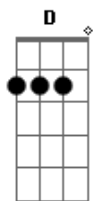

D
With my faith shaken?

A
Cause I can't go back and undo this

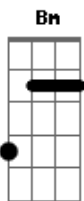

Bm **G**
I just have to stay

D
And face my mistakes,

But if I get stronger and wiser,

Bm A G A
I'll get through this

D **A**
What can you do when you're good isn't good enough?

Bm **A** **G**
And all that you touch tumbles down?

D **A**
Cause my best intentions keep making a mess of things,

Bm **A** **G**
I just wanna fix it somehow

Bm **A** **G**
But how many times will it take?

Bm **A** **G**
oh, how many times will it take for me

D **A**
To get it right?

G **Bm**
So I throw up my fists,

G
throw a punch in the air,

A **G**
And accept the truth that sometimes life isn't fair!

Bm **G**
Yeah, I'll send down a wish and I'll send up a prayer

A **G** **D**
Then finally someone will see how much I care

D **A**
What can you do when your good isn't good enough

Bm **A** **G**
And all that you touch tumbles down?

D **A**
Cause my best intentions keep making a mess of things,

Bm **A** **G**
I just wanna fix it somehow

Bm **A** **G**
But how many times will it take?

Bm **A** **G**
oh how many times will it take for me

D **A**
To get it right?

Bm A G
To get it ri-ii-ight?
