

Glee - Gives You Hell

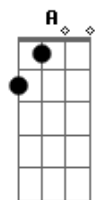

Tom: **A**

I wake up every evening **E**
 With a big smile on my face **Dbm**
 And it never feels out of place. **B**
 And you're still probably working **Dbm**
 At a 9 to 5 pace **A**
 I wonder how bad that tastes **B**
 When you see my face **E**
 I hope it gives you hell, I hope it gives you hell **Dbm**
 When you walk my way **E**
 I hope it gives you hell, I hope it gives you hell **Dbm** **A** slide to **Abm**
 Now where's your picket fence love **E**
 And where's that shiny car **Dbm**
 Did it ever get you far? **A**
 You've never seem so tense love **Dbm**
 Never seen you fall so hard **E**
 Do you know where you are? **Dbm**
 Truth be told I miss you **Bm**
 Truth be told I'm lying **Dbm**
 When you see my face **E**
 I hope it gives you hell, I hope it gives you hell **Dbm**
 When you walk my way **E**
 I hope it gives you hell, I hope it gives you hell **Dbm**
 If you find a man that's worth the damn and treats you well **A**
 Then he's a fool you're just as well hope it gives you hell **Bm**
 slide to **Abm**
 Hope it gives you hell **A**

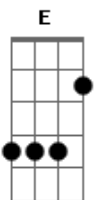

(Solo/Ponte)

Tomorrow you'll be thinking to yourself **E**
 Where did it all go wrong? **Dbm**
 But the list goes on and on **A**
 Truth be told I miss you **Bm**
 Truth be told I'm lying **Dbm**
 When you see my face **Bm**
 I hope it gives you hell, I hope it gives you hell **E**
 When you walk my way **Dbm**
 I hope it gives you hell, I hope it gives you hell **Bm**
 If you find a man that's worth the damn and treats you well **E**
 Then he's a fool you're just as well hope it gives you hell **A**
 Now you'll never see **Bm**
 What you've done to me **A**
 You can take back your memories **E**
 They're no good to me **Dbm**
 And here's all your lies **Bm**
 If you look me in the eyes **A**
 With the sad, sad look **E**
 That you wear so well **A**
 When you see my face
 I hope it gives you hell, I hope it gives you hell
 When you walk my way
 I hope it gives you hell, I hope it gives you hell
 If you find a man that's worth the damn and treats you well
 Then he's a fool you're just as well hope it gives you hell
 When you see my face
 I hope it gives you hell, I hope it gives you hell (hope it gives you hell)
 When you walk my way
 I hope it gives you hell, I hope it gives you hell (hope it gives you hell)
 When you hear this song and you sing along well you'll never tell
 And you're the fool I've just as well I hope it gives you hell
 When you hear this song I hope that it will give you hell
 You can sing along I hope that it puts you through hell
