

Glee - Here's To Us

Tom: B

We could just go home right now

Or maybe we could stick around

For just one more drink, oh yeah

Get another bottle out

Lets shoot the bricks

Sit back down

For just one more drink, oh yeah

Here's to us

Here's to love

All the times

That we messed up

Here's to you

Fill the glass

Cause the last few days

Have gone too fast

So lets give em hell

Wish everybody well

Here's to us

Here's to us

Stuck it out this far together

Put our dreams through the shredder

Let's toast cause things got better

And everything could change like that

And all these years go by so fast

But nothing lasts forever

Here's to us

Here's to love

All the times

That we messed up

Here's to you

Fill the glass

Cause the last few nights

Have gone too fast

If they give you hell

Tell em to forget themselves

Here's to us

Here's to us

Here's to all that we kissed

And to all that we missed

To the biggest mistakes

That we just wouldn't trade

To us breaking up

Without us breaking down

To whatever's come our way

Here's to us

Here's to love

All the times

That we messed up

Here's to you

Fill the glass

Cause the last few days

Have gone too fast

So let's give em hell

Wish everybody will

Here's to us

Here's to love

All the times

That we messed up

Here's to you

Fill the glass

Cause the last few nights

Have gone too fast

If they give you hell

Tell em to forget themselves

(forget themselves)

Here's to us

Here's to us

Here's to us

Here's to us

Here's to us

Here's to love

I know everybody will

Acordes
