

Glee - Last Friday Night (TGIF)

Tom: D Intro: G E Bm A	Em Bm A Do it all again
Verse:	LYRICS
There's a stranger in my bed,	Trying to connect the dots Don't know what to tell my boss Think the city to add my con
There's a pounding my head Bm	Think the city towed my car Chandelier is on the floor With my favorite party dress
Glitter all over the room	Warrants out for my arrest Think I need a ginger ale
Pink flamingos in the pool	That was such an epic fail
I smell like a minibar Em	Pictures of last night Ended up online
DJ's passed out in the yard Bm	I'm screwed Oh well
Barbie's on the barbeque	It's a blacked out blur But I'm pretty sure it ruled
There's a hickie or a bruise	Last Friday night
PRE-CHORUS:	Yeah we danced on table tops And we took too many shots
Pictures of last night Em	Think we kissed but I forgot
Eended up online Bm	Last Friday night Yeah we maxed our credits card
I'm screwed	And got kicked out of the bars So we hit the boulevards
Oh well	Last Friday night
It's a black top blur Em Bm A	We went streaking in the park Skinny dipping int he dark
But I'm pretty sure it ruled	Then had a menage a trois Yeah I think we broke the law
CHORUS:	Always say we're gonna stop-op Oh whoa oh
Last Friday night Em	This Friday night
Yeah we danced on tabletops	Do it all again Do it all again
And we took too many shots	This Friday night Do it all again
Think we kissed but I forgot	Do it all again This Friday night
Last Friday night Em	T.G.I.F.
Yeah we maxed our credit cards Bm	T.G.I.F. T.G.I.F.
And got kicked out of the bar	T.G.I.F. T.G.I.F.
So we hit the boulevard	T.G.I.F.
Last Friday night Em	Last Friday night Yeah we danced on table tops
We went streaking in the park	And we took too many shots Think we kissed but I forgot
Skinny dipping in the dark	Last Friday night
Then had a menage a trois	Yeah we maxed our credit cards And got kicked out of the bar
Last Friday night	So we hit the boulevard
Yeah I think we broke the law	Last Friday night We went streaking in the park
Always say we're gonna stop-op	Skinny dipping in the dark Then had a menage a trois
Whoa-oh-oah	Last Friday night
This Friday night Em Bm A	Yeah I think we broke the law Always say we're gonna stop
Do it all again	Oh-whoa-oh This Friday night
This Friday night	Do it all again
