Glee - Roots Before Branches

```
Tom: A
Intro:

    Gbm
So many things to do and say

But I can't seem to find my way
       D
But I wanna know how
   Gbm
I know I'm meant for something else

But first I gotta find myself
       D
But I don't know how

    Bm
Oh, why do
                Dbm7
I reach for the stars
                  D
When I don't have wings
                   E
To carry me that far?

              D            Gbm   E
I gotta have roots before branches
    D
To know who I am
         Gbm         E
Before I know who I wanna be
    D
And faith
         Gbm      E
To take chances
    D
To live like I see
   Bm           E
A place in this world
    A
For me

 Gbm
Sometimes I don't wanna feel

And forget the pain is real
        D
Put my head in the clouds
     Gbm
Oh, start to run and then I fall

Seein' I can't get it all
           D
Without my feet on the ground

                  Bm
There's always a seed
                Dbm7
Before there's a rose
                  D
The more that it rains
                Gbm  E
The more I will grow

              D            Gbm   E
I gotta have roots before branches
    D
To know who I am
         Gbm        E

Before I know who I wanna be
    D
And faith
        Gbm     E
To take chances
    D
To live like I see
   Bm            E
A place in this world
    A   Gbm E
For me

D
Whatever comes
                E
I know how to take it

Learn to be strong
                  B
I won't have to fake it
               Gb
Oh, you're understandin'
    D
Oh, but when you come
           E
And do it best

There ain't nothin'
                    B
To stoppin' east to west

But I'll still
       E    A
Be standing
Gbm          E
I'll be standing

              D           Gbm  E
If I have roots before branches
    D
To know who I am
         Gbm         E
Before I know who I wanna be
    D
And faith
        Gbm   E
To take chances
   D
To live like I see
  Bm             E
A place in this world...

    D                       Gbm   E
I gotta have roots before branches
   D
To know who I am
         Gbm         E
Before I know who I wanna be
    D
And faith
         Gbm    E
To take chances
    D
To live like I see
   Bm           E     A
A place in this world
       Gbm  E
For me
A       Gbm   E             A
I gotta have roots before branches
Gbm   E
Ohhh yeaahh
```
