

Glee - Survivor / I Will Survive

Tom: C

At first I was afraid, I was petrified
Kept thinking I should never live without you by my side
But then I spent so many nights thinking how you did me wrong
I grew strong and I learned how to carry on

And so you're back from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock I should have made you leave your key
If I had known for just one second you'd be back to bother me

Go on now go, walk out the door
Just turn around now, 'cause your not welcome anymore
Weren't you the one who tried to hurt me with goodbye
You think I'd crumble, you think I'd lay down and die?

I'm a survivor, I'm not gon' give up
I'm not gon' stop, I'm gon' work harder

I'm a survivor, I'm gonna make it
I will survive, keep on surviving

Thought I couldn't breathe without you,
I'm inhalin'

You thought I couldn't see without you,
Perfect vision,

You thought I couldn't last without ya,
But I'm lastin'

You thought that I would die without ya,
But I'm livin'

Thought that I would fail without ya,
But I'm on top,

Though it would be over by now,
But it won't stop,

But I'm still here,
Even in my years to come,
I'm still gon' be here.
