## Glee - Survivor / I Will Survive

At first I was afraid, I was petrified G7 Kept thinking I should never live without you by my side But then I spent so many nights thinking how you did me wrong I grew strong and I learned how to carry on And so you're back from outer space I just walked in to find you here with that sad look upon your I should have changed that stupid lock I should have made you If I had known for just one second you'd be back to bother me Go on now go, walk out the door G G7 Just turn around now, 'cause your not welcome anymore Weren't you the one who tried to hurt me with goodbye E E E E You think I'd crumble, you think I'd lay down and die? I'm a survivor, I'm not gon' give up I'm not gon' stop, I'm gon' work harder

I'm a survivor, I'm gonna make it I will survive, keep on surviving Thought I couldn't breathe without you, I'm inhalin' You thought I couldn't see without you, Perfect vision, You thought I couldn't last without ya, But I'm lastin' You thought that I would die without ya, But I'm livin' Thought that I would fail without ya, But I'm on top, Though it would be over by now, But it won't stop, But I'm still here, Even in my years to come, I'm still gon' be here.
