

Glee - The Edge Of Glory

```
Tom: A
                                                                                                                                                                                                                             Alright!
                                                                                                                                                                                                                            Alright!
There ain't no reason you and me should be alone tonight
                                                                                                                                                                                                                             It's hot to feel the rush
Yeah baby, tonight yeah baby
                                                                                                                                                                                                                                                                             Gbm
But I got a reason that you-hoo should take me home tonight
                                                                                                                                                                                                                             To brush the dangerous
                                                                                                                                                                                                                                                                 D
I need a man that thinks it right when it's so wrong
                                                                                                                                                                                                                             I'm gonna run right to
                                                                                                                                                                                                                             To the edge with you
                                                                                                                                                                                                                                                                       Gbm
Tonight yeah baby
Tonight yeah baby
                                                                                                                                                                                                                             Where we can both fall far in love
Right on the limit's where we know we both belong tonight
                                                                                                                                                                                                                             I'm on the edge of glory
It's hot to feel the rush
                                                                                                                                                                                                                             And I'm hangin' on a moment of truth
                                              Gbm
                                                                                                                                                                                                                             I'm on the edge of glory
To brush the dangerous
                                                                                                                                                                                                                             And I'm hangin' on a moment with you
I'm gonna run right to
To the edge with you
                                           Gbm
Where we can both fall far in love
                                                                                                                                                                                                                             I'm on the edge
                                                                                                                                                                                                                             The edge, the edge, the edge
I'm on the edge of glory

Yeah baby, tonight yeah baby
I'm on the edge of something final we call life tonight
                                                                                                                                                                                                                             The edge, the edge, the edge
                                                                                                                                                                                                                             I'm on the edge of glory
Alriaht!
Alright!
                                                                                                                                                                                                                                                        Gbm
                                                                                                                                                                                                                             And I'm hangin' on a moment with you
Put on your shades 'cause I'll be dancing in the flames
                                                                                                                                                                                                                             I'm on the edge with you
tonight
Yeah baby, tonight yeah baby
                                                                                                                                                                                                                             I'm on the edge with you
It isn't hell if everybody knows my name tonight
                                                                                                                                                                                                                             I'm on the edge with you
                                                                                                                                                                                                                             I'm on the edge with you
