

Glee - Tongue Tied

```
Tom: Eb
                                                                Like Peter Pan up in the sky
                                              D )
                                                                My best friend's house tonight
 (com acordes na forma de
Capostraste na 1^{\underline{a}} casa
                                                                Let's bump the beats till beddy-bye
Intro: D A D A D
                                                                Don't take me tongue tied
00000h...!
                                                                Don't wave no goodbye
Take me to your best friend's house
Goin' 'round this roundabout
                                                                Don't take me tongue tied
                                                                Don't kiss me goodnight
Oh yeah
Take me to your best friend's house
                                                                Don't...
I loved you then and I love you now
                                                                       Bm
                                                                Fm
Oh yeah
                                                                Oooooh oooh oooh
Don't take me tongue tied
                                                                Oh, take me to your best friend's house
Don't wave no goodbye
                                                                going around this roundabout oh yeah
Don't... wait!
                                                                Oh yeah
                                                                Take me to your best friend's house
Oh, take me to your best friend's house
Marmalade we're making out
                                                                I loved you then and I love you now
Oh yeah
                                                                Don't take me tongue tied
Take me to your best friend's house
                                                                Don't wave no goodbye
I loved you then and I love you now
                                                                Don't take me tongue tied
                                                                Rm
                                                                Don't...
Don't take me tongue tied
Don't wave no goodbye
                                                                Don't take me tongue tied
Don't... wait!
                                                                Don't wave no goodbye
One, two, three, four
                                                                Don't take me tongue tied
Don't leave me tongue tied
                                                                Rm
                                                                Don't...
Let's stay up all night
                                                                ( G Em )
I'll get real high
Slumber party; pillow fight
                                                                Yeah yeah, yeah yeah
My eyes and your eyes
                                                                Yeah yeah, yeah yeah
                                                                Bm
                                                                Ooooh, ooooooh
