

Glee - When I Get You Alone

```
Intro: Cm
 0ooh
Baby girl, where you at?
Got no strings, got men attached
Can't stop that feelin' for long no
You makin' dogs wanna beg
Breaking them off your fancy legs
But they make you feel right at home, now
(Ooooh)
See all these illusions just take us too long
And I want it bad
Because you walk pretty
Because you talk pretty
'Cause you make me sick
And I'm not leavin', till you're leavin'
(Ahhh)
Oh I swear there's something when she's pumpin'
Asking for a raise
               Bm
Well does she want me to carry her home now?
               Bm
So does she want me to buy her things?
Cm
On my house, on my job
On my loot, shoes, my shirt
My crew, my mind, my father's last name?
When I get you alone
                        Cm
When I get you you'll know baby
When I get you alone
```

When I get you alone
(Ahhhh...oh)
Oh yeah-yeah
Baby girl you da shit

Well you can keep your toys in the drawer tonight,
All right
All my dawgs talkin' fast
Aint you got some photographs?
'Cause you shook that room like a star, now
Yes you did, yes you did, oh
All these intrusions just take us too long
And I want you so bad
Because you walk city
Because you talk city
'Cause you make me sick
And I'm not leavin', till you're leavin'
So I pray to something she aint bluffin'
Rubbin' up on me
Well does she want me to make a vow?
