

# Glen Hansard - Lucky Man

Tom: G  
Intro: C Bm  
C Bm  
C Bm  
Am D

Well it's gonna be a lucky man  
That gets to take your hand  
And play house with you a while  
Girl, I was looking for you  
I thought you could pull me through  
Cause I've been slipping down the other side

And anyone that sees you  
Anyone that sees you at all  
Anyone that sees you at all  
They know, they know

They know, they know, they know  
What I should have been told  
Just by looking

( G Am )  
( C Bm Am )

Well it's gonna be a lonely time  
But I don't mind  
You've always been there  
When I've called your name  
Girl, and when you smile  
Wider than a country mile  
There's nothing I wouldn't do  
To please you baby

And anyone that knows you  
Anyone that knows you at all

Anyone that knows you at all  
They know, they know  
They know, they know, they know  
What I should have been told  
Just by looking

There's a wild yearning  
It builds up inside me while you're around  
And the fire is still burning in us  
Even now, even now

( G Am )  
( C Bm Am )  
( G Am )  
( C Bm Am )

And anyone that sees you  
Anyone that sees you at all  
Anyone that sees you at all  
They know, they know

They know, they know, they know  
What I should have known all along  
Just by looking

And there's a wild yearning  
It builds up inside me while you're around  
And the fire's still burning in us  
Even now, even now  
Give this love somewhere to go  
If you don't want it, let me know  
Somebody will

Well it's gonna be a lucky man  
That gets to take your hand  
( C Bm Am )
