Glenn Yarbrough - Old Fat Spider

```
                              tom:
                    G
Intro: Em

[Primeira Parte]

   Em
I met an old, fat spider
G      D      G
Spinning in his tree
    Em
I said, "Hey old, fat spider
   G      D      G
I bet you can't catch me!
     G          D
You've grown too fat you lazy lob
    C         G
You're just an old Tomnoddy!
   Am       Em
Hey Attercop! Hey Attercop!
   C         D  Em
You can't catch anybody"

( C   D   Em )

[Segunda Parte]

   Em
And then the old, fat spider
  G    D     G
He spun a final thread
    Em
I said, "Hey old, fat spider
      G       D       G
It's time that you were dead!"
   G          D
I drew my sword to cut his silk
   C          G
To kill the old Tomnoddy
     Am           Em
But then I thought, I'll leave him be
   C         D  Em
He can't catch anybody

( C   D   Em )

[Terceira Parte]

   Em
```

```
I met an old fat spider
G        D      G
In his spinning tree
     Em
His web all old and tattered
   G     D      G
And he could hardly see
     G          D
I shooed a fly into his lair
   C          G
To feed the old Tomnoddy
        Am        Em
'Cause how can you kill a spider
   C         D  Em
Who can't catch anybody?

Am           Em
How can you kill a spider
    C         D  Em
Who can't catch anybody?

( Em  G  D  G )
( Em  G  D  G )
( G   D  C  G )
( Am  Em  C  D  Em )
( C   D  Em )

[Quarta Parte]

   Em
I met an old fat spider
G        D      G
In his spinning tree
     Em
His web all old and tattered
   G     D      G
And he could hardly see
   G          D
I shooed a fly into his lair
   C          G
To feed the old Tomnoddy
       Am          Em
'Cause how can you kill a spider
    C         D  Em
Who can't catch anybody?

Am           Em
How can you kill a spider
    C         D  Em
Who can't catch anybody?
