

Gnash? - I Hate U I Love U

Tom: G

Em D
Feeling used

But I'm
Em G
Still missing you

And I can't
D
See the end of this

Just wanna feel your kiss
Em
Against my lips

And now all this time
D
Is passing by

But I still can't seem to tell you why
Em D
It hurts me every time I see you

Realize how much I need you
Em D
I hate you I love you

Em G
I hate that I love you

Don't want to, but I can't put
Em G
Nobody else above you

Em D
I hate you I love you

Em G
I hate that I want you

Em D
You want her, you need her

Em G
And I'll never be her

Em D
I miss you when I can't sleep

Em G
Or right after coffee

Or right when I can't eat
Em D
I miss you in my front seat

Em G
Still got sand in my sweaters

From nights we don't remember
Em D
Do you miss me like I miss you?

Em G
Fucked around and got attached to you

D Em
Friends can break your heart too, and

G
I'm always tired but never of you

Em D
If I pulled a you on you, you wouldn't like that shit

Em G
I put this real out, but you wouldn't bite that shit

Em D
I type a text but then I never mind that shit

Em G
I got these feelings but you never mind that shit

Em D
Oh oh, keep it on the low

Em G
You're still in love with me but your friends don't know

Em D
If you wanted me you would just say so

Em G
And if I were you, I would never let me go

Em D
I don't mean no harm

Em G
I just miss you on my arm

Em D
Wedding bells were just alarms

Em G
Caution tape around my heart

Em D
You ever wonder what we coulda been?

Em G
You said you wouldn't and you fucking did

Em D
Lie to me, lie with me, get your fucking fix

Em G
Now all my drinks and all my feelings are all fucking mixed

Em D
Always missing people that I shouldn't be missing

Em G
Sometimes you gotta burn some bridges just to create some distance

Em D
I know that I control my thoughts, and I should stop reminiscing

Em G
But I learned from my dad that it's good to have feelings

Em D
When love and trust are gone

Em G
I guess this is moving on

Em D
Everyone I do right does me wrong

Em G
So every lonely night, I sing this song

Em D
I hate you I love you

Em G
I hate that I love you

Em D
Don't want to, but I can't put

Em G
Nobody else above you

Em D
I hate you I love you

Em G
I hate that I want you

Em D
You want her, you need her

Em G
And I'll never be her

Em D
All alone I watch you watch her

Em D
Like she's the only girl you've ever seen

Em C
You don't care you never did

Em C
You don't give a damn about me

Em C
Yeah all alone I watch you watch her

Em D
She's the only thing you've ever seen

Em C
How is it you never notice

Em D
That you are slowly killing me

Em D
I hate you I love you

Em G
I hate that I love you

Em D
Don't want to, but I can't put

Em G
Nobody else above you

Em D
I hate you I love you

Em G

I hate that I want you

Em

D

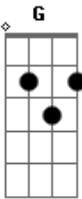

You want her, you need her

Em

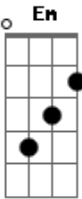

G

And I'll never be her
