

Gnash? - Something

Tom: **D**

[Introdução]

D Gbm Bm Bm

[Verso]

D
Whoa oh oh oh, don't you know
Bm Bm
I could buy you a rose
D
Or maybe a daisy 'cause lately
Bm Bm
You seem into those
D
Whoa oh oh oh, I guess
Gbm Bm Bm
That works for them, I suppose
D
But wouldn't you rather have something
Bm Bm
That matters with me?

[Refrão]

D
Whoa oh oh oh, you're more
A
than a feeling
Bm
Whoa oh oh oh, you're
G
Something I'm needing
Bm
And if you feel lonely and
A **G(once)**
Left out with nothing to do
D
I'd love to be a something to you
Gbm Bm
I'd love to be a something to you
Bm D
I'd love to be a something to you

Gbm Bm Bm

[Verso]

D
There's something 'bout the way you move
Gbm
There's something in the way you groove
Bm
There's something you don't know you do
Bm
That makes me feel my feels of you
D
There's nothing more amazing,
Gbm
Nothing feels more unbelievable
Bm
Than when I say, "I love you" and
Bm
You say to me, "I love you, too"
D
So baby boo, please fall through
Gbm
Please call me when your plans fall through
Bm
You could dance on me with your hands on me

Bm
When your man's on leave put my hands on you
D
I don't care if you hate me
Gbm
I don't care if you love me
Bm
I just wanna be your buddy
Bm
I just wanna be that something to you
[Refrão]
D **A**
Whoa oh oh oh, you're more
than a feeling
Bm
Whoa oh oh oh, you're
G

A **G**
left out with nothing to do
D
I'd love to be a something to you

I'd love to be a something to you
Bm D
I'd love to be a something to you
Gbm Bm Bm

[Ponte]

D **Gbm**
Whoa oh oh oh, don't you know
Bm Bm
I could write you a song?
D
And it'd probably go like this
Gbm Bm Bm
And wouldn't take me very long
D **Gbm**
And whoa oh oh oh, though a world
Bm Bm
Would probably sing along
D **Gbm**
But wouldn't you rather have something
Bm(once)
That matters with me? And it goes like

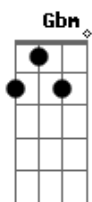

[Refrão]

D **A**
Whoa oh oh oh, you're more
than a feeling
Bm
Whoa oh oh oh, you're

I'd love to be a something to you

I'd love to be a something to you
G **Bm A Bm**
I'd love to be a something to you
G **D(uma vez)**
I'd love to be a something to you
