

Gnash? - The Broken Hearts Club

Tom: **Eb**

I need **Dbm** emotion Novocaine, I need a **E** numbing of my brain
 I need **B** somethin' to take away the **A** remains of your name
 I need **Dbm** amnesia for a day and an **E** umbrella for the rain
 That hasn't gone away since you said you didn't need me

A Lately been thinkin' **B** maybe
 There's a **Dbm** place we won't feel so **B** crazy
 Been in a **A** hazy mid-morning **B** daydream
 I found a **Dbm** shady spot that they **B** saved me

Dbm They said, "Come be the newest member of the broken hearts **E** club

We hate **B** every little thing about the **A** people that we love
 We're the **Dbm** let-down, we're the **E** lied-to, where the lost go and it finds you
 Where the **B** lonely make the lonely feel less **A** lonely, and we're dyin' to

Dbm Invite you to stay, and take away the **E** pain

'Cause **B** misery loves company, so hey, what do you say?"

Dbm And at first I wasn't sure if there's even a **E** cure

For what I'm **B** feelin', 'cause what I'm feeling's been feelin' more and more absurd

Dbm The repeating in my head of every last word that you said
 Feels like **B** ever since you left, you still won't **A** leave me

A And lately, been thinkin' **B** maybe

Dbm There might be a place we won't feel so **B** crazy
 For changing the way you made me
 And in a **Dbm** daydream, I let them **B** save me

Dbm I'm the newest member of the **E** broken hearts club

We hate **B** every little thing about the **A** people that we love

We're the **Dbm** let-down, we're the **E** lied-to, where the lost go and it finds you

Where the **B** lonely make the lonely feel less **A** lonely, and we're dyin' to

Dbm Invite you to stay, and take away the **E** pain

'Cause **B** misery loves company, so hey, what do you say?"

Dbm I guess if you can't beat 'em, join 'em

That's what they always say

E Let's go inside, let's coincide

A And I'll commensurate

Dbm Singin', we're the newest members of the **E** broken hearts club

We still feel pretty lonely and we wish we didn't, but

Dbm We're the newest members of the **E** broken hearts club

B And we all kinda hate it, but it's easier than love

Dbm Singin', we're the newest members of the **E** broken hearts club

B And we still feel pretty lonely and we wish we didn't, but

Dbm We're the newest members of the **E** broken hearts club

B And we all kinda hate it, but it's easier than love
