

Go Brothers - I Know What You Did Last Night

```
tom:
                 Gm
Intro: Bb Gm
        Bb Gm
        D F Gm
I know what you did last night
You know that I know
You've tried to hide
But I know what you did last night
You've been avoid me all day
You know you can hide
It's totally out of time
But I know what you did last night
[Refrão]
I know what you did last night
If anyone knows (I think) it's alright
I won't tell, you won't do it again
Otherwise I'll hurt your pride
You think I'll trap you soon
Put you against the wall
Run not at all
                     Gm
