Go Brothers - True Love Blues

```
                  tom:
                    A
Intro:  A7   A7   D7   D7   A7   A7   E7   D7

A7
You got one
D7
Two
A7               D7
Three hot girls, only for you

A7
You have a fast
D7
Car
E7               D7
Only to leave you realy far

[Refrão]
A7                       D7
But you don't have a love that is true
E7                   D7
That realy cares and take care of you
A7                   D7
You don't have what's realy matters
E7                   D7
Someone that love you and make you better

A7
You got one
D7
Two
A7
Three or more reasons
To chance it your feel

D7              A7
You've got to understand
E7                       D7
```
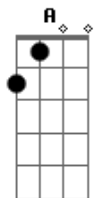

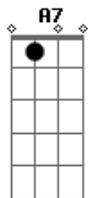

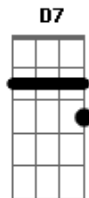

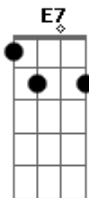

Acordes

```
The real love is nearest that you can stand

[Refrão]
A7                       D7
But you don't have a love that is true
E7                   D7
That realy cares and take care of you
A7                   D7
You don't have what's realy matters
E7                   D7
Someone that love you and make you better

A7               D7
You have a light shinning
A7
Into your life and you don't realise

D7            A7
You realy got and don't know
E7                   D7
That all this dream is by your own

[Solo]

[Refrão]
A7                       D7
But you don't have a love that is true
E7                   D7
That realy cares and take care of you
A7                   D7
You don't have what's realy matters
E7                   D7
Someone that love you and make you better
