

## Go Brothers - Turn The Page, Change The Record

```
tom:
                 F
        F
                 Dm A
Here we go again
You and your dung face
Saying bad thing about everything
Negative fluids
All over your brain
Contaminating everyone around you
[Pré-Refrão]
Why don't you see yourself on a mirror
     В
                                 Dbm
And realize that is something wrong
\mathsf{E} \quad \mathsf{D} \quad \mathsf{E} \quad \mathsf{E} \quad \mathsf{F} \quad \mathsf{D} \quad \mathsf{E} \quad \mathsf{D}
Turn the page, change the record
                              D C
Your conversation is getting too much boring
E D E E F D Ě D
Turn the page, change the record
                              D C
Your explanation is sad and anyone discorded
    Dm A
Don't lie yourself
You know you're stupid
    Dm
           A B
And no one can endure you
               Dm
Why can't you find some help
                    Dm A B
A theraphyst could fix you inside
[Pré-Refrão]
```

```
Why don't you see yourself on a mirror
And realize that is something wrong
[Refrão]
E D E E F D E D
Turn the page, change the record
                           D C
Your conversation is getting too much boring
E D E E F D E D
Turn the page, change the record
                                    D D
                            D C
Your explanation is sad and anyone discorded
Oh, come on!
              В
Why don't you just fuck it off!
[Solo]
[Pré-Refrão]
Why don't you see yourself on a mirror
    В
And realize that is something wrong
[Refrão]
E D E E F D E D
Turn the page, change the record
                           D C
Your conversation is getting too much boring
E D E E F D E D
Turn the page, change the record
                           D C
Your explanation is sad and anyone discorded
Turn the page
F D F
Turn the page
E D E
Turn the page
E F D E D
Change the record
```
