

The Go-Go's - Head Over Heels

Tom: D

So long, I've nearly lost all track of time
In every direction, I couldn't see the warning signs
I must be losin' it, cause my mind plays tricks on me
It looks so easy, but you know looks sometimes deceive

Been running so fast, right from the starting line
No more connections, I don't need any more advice
One hand's just reaching out, and one's just hanging on
It seems my weaknesses just keep going strong

Head over heels, where should I go
(E) Can't stop myself, out of control
Head over heels, no time to think
(E) Looks like the whole world's out of synch | D

Been running so hard, when what I need is to unwind
The voice of reason is one I left so far behind
I waited so long, so long to play this part
And just remembered that I'd forgotten about my heart
