 Intro: **A**

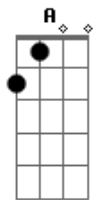

**A** **D**  
 Come monday night the day of work is done  
**Bm** **A** **E**  
 Tuesday morning lose the grey of ordinariness  
**D** **A**  
 Start by putting off your chores  
**E**  
 And all the crushing bores  
**Gbm**  
 Say your morning prayers  
**D**  
 Sing a rousing song  
**E**  
 Then sing it on the long walk home  
**A** **D**  
 Come monday night we're in a state of praise  
**Bm** **A** **E**  
 Twenty-million boys are caught up in a paper chase  
**D** **A**  
 If the weekend promised much  
**E**  
 Then it failed to touch  
**Gbm** **D**

On a single count what i was hoping for  
**E**  
 What i was hoping for

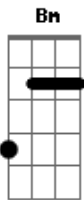

**A** **D**  
 Come monday night we turn the telly off  
**Bm** **A** **E**  
 To listen to the silence  
**D** **A**  
 Light that comes in from outside  
**E**  
 If you could catch it all  
**Gbm**  
 And pin it to your wall  
 (**D A** )  
 Then you would sleep much better  
 Baby you would sleep much better  
 Maybe you would sleep much better  
 Baby you would sleep much better  
 Maybe you would sleep much better  
 Baby you would sleep much better  
 Maybe you would sleep much better  
 Baby you would sleep much better  
 Maybe you would sleep much better  
 Baby you would sleep much better  
 Maybe you would sleep much better  
 Baby you would sleep much better
