

Godsmack - Every Part Of Me

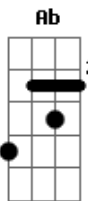

tom:
Bbm
 I'm living incomplete
Ab
 My mind is racing day to day
Bbm
 It's bleeding every part of me
Bbm
 I've been swimming in desire
Ab
 That's fueling my soul
F Gb
 But I can't feed this fire alone
Bbm
 I can't feel alive
Db
 If I can breathe the air
Ab
 That's been frozen
F Gb
 When you're so far away
Bbm
 And I just need to find
Db
 A simple kind of way
Ab
 To keep you closer
F Gb
 'cause you're every part of me
Bbm
Am I everything you'll need?
Ab
 Are you craving me the same way?
Bbm
 Inside my body's screaming
 I'm addicted to your taste
Ab
 And the way you like to show me
F Gb
 How we've become one and the same
Bbm
 I can't feel alive
Db

If I can breathe the air
Ab
 That's been frozen
F Gb
 When you're so far away
Bbm
 And I just need to find
Db
 A simple kind of way
Ab
 To keep you closer
F Gb
 'cause you're every part of me
Bbm
 Every night I've been bleeding
Bbm
 It's tearing me apart down to my bones
Bbm
 Every time I feel completed
Ab
 There's always one more thing
F
 Reminding me that I'm not whole
Gb
 How can I let you go?
Bbm
 I can't feel alive
Db
 If I can breathe the air
Ab
 That's been frozen
F Gb
 When you're so far away
Bbm
 And I just need to find
Db
 A simple kind of way
Ab
 To keep you closer
F Gb
 'cause you're every part of me
F Gb
 Every part of me
F Gb Bbm
 Every part of mee
