

Gogol Bordello - Movement One Songs Of Immigration In Voi-la Minor Mussolini Vs Stalin

Tom: C

Album: Voi-La Intruder
Tabber: Duncan Usher

This song has like, add ons to the chords used and I cant really work them out, but to like, the basic gist of them, theyre kinda like this:

Also the strings are muted by the palm of the hand on the third and fourth beats

Well, seeing as there are no lyrics for this song it?s gonna be pretty hard to write

down. So ill just give you the chords and the small riff that goes along with it.

Chords

[ch]Am[/ch] [ch]Dm[/ch] [ch]E[/ch] [ch]Am[/ch]

The small fiddly riff

I know this leaves much to the imagination but then again, I don?t think it would be too to place the chords to the song. I think this is enough for people to be able to play KICK ASS song!! Any questions or comments please say to
