

## Gogol Bordello - Sun is On My Side

tom: Е Am B7 Е What was here now is gone Am B7 Up and down, like everyone Am B7 Walked the earth in lonesome cry But when the sun comes up Е When the sun comes up Am It will be on your side B7 E It will be on your side To the song of wheels B7 E All demons die Am Rays of joy, they multiply Am B7 Harmony, you will be my bride Am But when the sun comes up

## Acordes

I'll let out last breath Am And slumber softly into the death My half-breed odyssey Am B7 E Your orphan prophecy Am B7 E Our destiny we will not hide Am When the sun comes up Е When the sun comes up Am It will be on your side It will be on our side When the sun comes up I'll let out last breath  $\begin{array}{cccc} & & & & & & \\ \text{Am} & & & & \text{B7} & & \text{E} \\ \text{And slumber softly into the death} \end{array}$
