Tom: E
Intro: Dbm Abm Dbm

N.C.
When the snow is getting heavy,
Trees just bend and let it go,
So how many, so how many,
Broken bones it takes to know?

E Abm
So wake up, my principessa,
And don't let me out of your sight,
I've seen the other side of rainbow
And it was black and white -
It was black and white.

Gbm Dbm Gbm
I've seen the other side of rainbow,
It was black and white,
It was black and white.

E
The way to freedom, the way to freedom,
That I used to know,
Is in the deeper, is in the deeper knowing of my soul,
The way to freedom, the way to freedom that I used to know,
Ritmo lay, ritmo lay,
Ritmo lay the flow (2x)

Let 'em down, don't break him down,
And if you hear of something good,
Don't hold it back, pass it around!
