

Going Spaceward - Fly Me To The Moon

tom:

Am

[Primeira Parte]

Ok this is gonna be pretty cheesy but uh

They say that every day, the universe expands

And we discover certain things that we don't understand. Whoa

Dark matter ain't the only mystery at hand

C

I'm wond'rin' how I got a girl like you to say that I'm her

[Segunda Parte]

Am7

F7M
It's a statistical anomaly, but girl, you've got me
Bm7
Gravity is pulling me to your heavenly body
E7
No astronomical phenomenon could ever stop me
Am7
You've got a smile that every star in the galaxy copied

[Terceira Parte]
Dm7

The constellations couldn't make as beautiful a pattern G
The conversations?every night, I ring you up like Saturn

The telescopes tell us folks that you're the coolest view A7 Dbm7
A supernova's scootin' over to make room for you

[Quarta Parte]

Dm7
'Cause you eclipse every wonder of the cosmos

G7
It's almost unfair to them, but you're the one I want most

C
It's a miracle that Galileo never found you

E7
If he did, he'd say the universe revolved around you

[Refrão]

Am₇ Dm7 G7 C7M Fly me to the moon, let me play among the stars Dm E7 **A7** Let me see what spring is like on Jupiter and mars C7M G7 In other words, hold my hand G7 In other words, darling kiss me G7 C7M Dm7 Fill my heart with song and let me play forever more Dm E7 You are all I wanted, all I worship and adore **G7** E7 Α7 Am7 In other words, please be true In other words, I love you
