

Golden Boys - Conceição da Praia

tom:

F

Hoje é dia de festa lá na Conceição

Com mercado, modelo, barraca e limão

Quem passava de longe prestava atenção

Eira, na ladeira, padroeira tava lá

Eira, na ladeira, padroeira tava lá

Sem saber esse samba morreu Conceição

Sem mercado, modelo, barraca e limão

Quem passava de longe prestava atenção

Eira, na ladeira, padroeira o que é que dá?

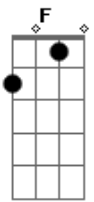

Eira, na ladeira, padroeira o que é que dá?

De segunda a sexta-feira, o tempo se acomodou

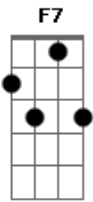

Se aco_____dou no sobrado da velha São Salvador

Se acomodou no sobrado da velha São Salvador
