Tom: G

(limpo)

<sup>G</sup> What the <sup>D</sup>hell do you know, you say  
<sup>E</sup> As you turn your face right back to me <sup>C</sup>  
<sup>G</sup> What the <sup>D</sup>hell do you know, you say  
<sup>E</sup> Like some righteous man better than me <sup>C</sup>

<sup>Am</sup> Well, I'm down, and you're <sup>C</sup>killing me  
<sup>Am</sup> And I'm down, but still you mean nothing to me <sup>C</sup>

(Dist)

G D E C (4x)

<sup>G</sup> What the <sup>D</sup>hell do you know, you say  
<sup>E</sup> As you try to shrink me to your size <sup>C</sup>  
<sup>G</sup> What the <sup>D</sup>hell do you know, you say  
<sup>E</sup> Just because you're scared to try <sup>C</sup>

<sup>Am</sup> Well, I'm down, and you're <sup>C</sup>killing me  
<sup>Am</sup> And I'm down, but still you mean nothing to me <sup>C</sup>

G D E C (2x)

(apenas baixo)

<sup>G</sup> Here we go, singing the same song you've heard a thousand <sup>D</sup>times

<sup>E</sup> You think you know the answer <sup>C</sup>

(abafado)

<sup>G</sup> Yeah, you won't try it, <sup>D</sup>And you deny it <sup>E</sup> <sup>C</sup>  
<sup>G</sup> It's the same damn song you've heard a thousand times <sup>E</sup> <sup>C</sup>

(Dist)

<sup>Am</sup> 'Cause I'm down, and you're <sup>C</sup>killing me  
<sup>Am</sup> Yeah, I'm down, and you're <sup>C</sup>killing me  
<sup>G</sup> Well, I'm down, yeah, I'm down...

<sup>G</sup> What the <sup>D</sup>hell do you know, you say  
<sup>E</sup> Well, I think I know way more than you <sup>C</sup>  
<sup>G</sup> What the <sup>D</sup>hell do you know, you say  
<sup>E</sup> 'Cause I know to myself I am true <sup>C</sup>

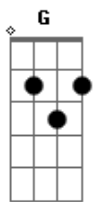

(limpo)

<sup>Am</sup> Well, I'm down, and you're <sup>C</sup>killing me  
<sup>Am</sup> Yeah, I'm down, and you're <sup>C</sup>killing me

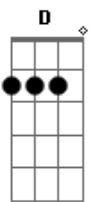

(dist)

<sup>Am</sup> When you're down, well, I'll walk away <sup>C</sup>  
<sup>Am</sup> When you're down... but still you mean fuck-all to me <sup>C</sup>  
<sup>D</sup> ...Yeah, nothing to me
