i met her sunday, that was yesterday

the girl i knew from 1990

her eyes are hazel, her name is mable

i kissed her once and now i'm able to  
walk the mile, crack a smile

she makes me want to kiss all the  
babies, hug the puppy dogs

she makes me feel like my mom  
smell the flowers and plant a tree

i gotta say that mable

she's the bomb

play intro riff 1x over g e c

now it's monday, better than sunday

mable told me that she would stay  
her curly hair shines in her eyes

boy that mable sure is fly

I'm with her now until i die

c b a (slide up)

she's the bomb

this song i dedicated to my lovely honey bunny

then on tuesday mable left me

i heard she's going out with charlie

she saw his package from what i know she said:  
"that looks like a tube of cookie dough!"

mine, she said then, looks like a  
small pencil with broken lead

rabieS got the puppy dogs  
and now i really need my mom

i bought her flowers, so woe is me  
it sucks i still think mable

she's the bomb
